

THE CHRONICLE.

BRIDGEPORT, MARCH 7, 1885.

SAN FRANCISCO AGENTS.
PALMER & HAY, 405-407 Sansome street.

So Say We All.—A correspondent of the Inyo Independent in referring to the new salary bill, very pertinently says:

"So far as the salary of District Attorney is concerned, I would prefer to see it raised, rather than lowered. We ought to take example from all intelligent Governments the world over, and the rule with them is to secure for the public service the best talent by offering liberal salaries. This I consider wise economy. A poor attorney may be willing to accept poor pay, and this might also suit attorney's employed against the people; but in one case tried under such conditions such expense might be thrown upon the county as would pay a liberal salary for a whole year to a competent attorney."

The reduction of the salary of the District Attorney is a bitter pill for the taxpayers of this county, who will have to do as they did in past years, pay a heavy salary to special counsel for doing that which should be done by the District Attorney.

President Cleveland invites all Democrats wanting office to hold up their hands. Here are the returns from Bridgeport:

Here is Bodie:

Other precincts to be held from. This is not original, but stolen from the Bedford, Mass. Courant. It will apply to every city, town and hamlet in the country, particularly at the "Corners."

The decrease in the public debt during February was \$3,204,975; decrease since June 30, 1884, \$44,926,886; cash in Treasury, \$484,406,567; gold certificates, \$143,110,230; silver certificates, \$141,119,830; certificates of deposit, \$30,580,000; refunding certificates, \$251,359; legal tenders, \$316,681,016; fractional currency, \$46,963,306.

Here is the way they do it in Europe.—A young English lady has just been arrested in Holland for wearing a felt hat and short hair. At Leipzig a musical critic has been sentenced to five days imprisonment for desecrating the leader of an orchestra as a "violin scraper."

Captain Samuel Deal, Chief of the detective force of the Central Pacific Railroad, it is stated upon good authority, will be appointed United States Marshal for the district of California. No better appointment could be made.

About the last act of President Arthur was to pardon Toring and Fleming, who swindled country subscribers through the mail out of nearly \$3,000,000, intended for Chicago grain speculation.

William Elliott, the "Father of Freemasonry in England," and the oldest Mason in Europe, died a few days since, aged 91 years.

The dynamiters declare that they have in preparation certain events that will startle the people of the world as well as terrify all England.

California has the largest vineyard in the world. Remi Nadeau & Sons, of Los Angeles, have a vineyard of between 3,000,000 and 4,000,000 vines.

It is believed the Chinese Government is about to declare American flour contraband of war in consequence of the action of France declaring rice contraband.

On the 4th, the Grant Retiring bill passed both Houses amid thunders of applause, and was immediately signed by President Arthur.

The bang, the whim of the children of Prince of Wales, is going out of fashion in England.

An acre of four or five year old apricot or French prune trees, yield a larger income than twenty acres of average grain.

C. P. Bailey, of San Jose, has taken first and second premiums at the World's Fair, New Orleans, for Angoras.

The Nevada Legislature refused to remove the State Prison from Carson to Reno. The latter town wants everything.

On Monday Rear Admiral George Henry Preble U. S. N., died at Brookline, Mass., aged 65 years.

It is reported that many of the supposed cans of meat sent to the Sudan army were filled with sand.

A gargle of strong black tea, used cold night and morning, is a preventive of taking cold.

Last year the decrease of the production of pig iron in England was 961,258 tons.

Next May the revised old Testament is to be issued.

On Tuesday a Protestant church in Ireland was destroyed by dynamite.

This year 5,000,000 vines are to be set out in Los Angeles county.

There are 15,000 property-holders in Santa Clara county.

The Crow Reservation, Dakota, has been thrown open to settlers.

THE INAUGURATION

The inauguration of President Cleveland on Wednesday was imposing, every section of the country being largely represented, and 25,000 military and civilians in line.—The address is good, and if its views are honestly enforced the country will not be set back under the new regime. The members of the Cabinet are: Bayard, Secretary of State; Manning, Treasury; Lamar, Interior; Garland, Justice; Whitney, Navy; Endicott, War; Vilas, Postoffice. The new Administration embarks upon a ruffled water—the ripple of the silver coinage vote. The following mutterings indicate a rough sea for the Democratic ship. The Philadelphia Press says:

"The evident purpose to concentrate the control of the new Democratic Administration in the hands of the gold bugs of the East and ex-Confederates of the South is arousing strong opposition among the Western Democrats."

The Indianapolis Sentinel expresses the public sentiment of that section, when it says:

"The Cabinet constructed by Cleveland is without a Western man in it who has broad, liberal, national ideas, and will not command the respect and confidence of the Western people. Vilas is not the man to represent the West."

The Louisville Courier-Journal is very pointed, when it says:

"Cleveland ought to know, and there is a West, already most powerful and ever growing, whose jealousy of the perceptive narrowness and vulgar greediness of the East is steadily increasing."

THE UNION.

BRIDGEPORT, MARCH 7, 1885.

LOCAL INTELLIGENCE.

PROUDLY WAYS.—On the morning of the 4th—Inauguration Day, the Chronicle-Union office was honored with a visit from its friends, irrespective of party, who presented a patriotic and complimentary address to the "Editors, Managers, Controllers, Owners and Business Men" of the "Oldest and only Reliable Newspaper published in Mono county." (Terms \$5 per year, in advance). The address was well read by Democratic County Clerk Miller, a portion being peculiarly emphatically rendered—the results of a twenty-four years' exclusion of his party from Uncle Sam's crib. At the conclusion of an appreciative response, the latter brigade advanced and placing the ladder in position, a handsome flag and staff were placed upon this office. This flag of our country—the Banner of the Grand Old Party that saved the Nation, is nailed to the masthead and given to the breeze of Republican California, in which it will proudly float. Old Bones willing, over the office of the Republican Chronicle-Union, (the only respectable newspaper in Mono county?) until March 4th, 1889, (Miner and Press note four more years of this publication) when an invitation is extended to the many "Patrons and Subscribers" of this journal to assemble at this office and honor the Day of the inauguration of James G. Blaine or other good Republican as President of these United States. In the meantime the Chronicle-Union will continue to be issued at Bridgeport, the County Seat of Mono county.

FINED.—Justice Lowe, of Bodie, has fined the taxpayers \$100 because a Chinaman sold liquor to Indians. If the people of Bodie would stop such fellows and order them out of the county, the expenses of a trip to Bridgeport and board at the jail would be saved to taxpayers. In this connection it is well to say that when the chronic grumble of high taxes is heard on the streets and in the counting-rooms of Bodie, the facts come in that during the past seven years the criminal elements of Bodie have cost the county over \$50,000, of which nearly all went to that town and officers elected from it; and that the forming of an additional Superior Judge upon us by Bodie necessitated the erection of a more costly and roomy Court House than otherwise required. While Bodie is rampant, Bridgeport—Old Reliable—is serene over the inevitable near future. These remarks are the outcome of our recent visits to the metropolis, where we heard the din of increased taxation from every quarter. Let Bodie punish its criminals without expense to the county, and a big leak will be stopped.

PERSONAL.—This week the Chronicle-Union office was honored with calls from Miss Naomi Angel, Superintendent of Public Schools, Mrs. J. W. Kingsley, Mrs. D. W. Humphries, of Bodie, Mrs. Dan. M. Barnett, Mrs. Clark Eggleston, Miss Kate M. Morford, of Antelope, and Miss Mary Daley, of Virginia City; also from Mrs. C. F. McKinney, Mrs. Paul W. Bennett, and Misses Julia Allen and Clara McKinney, of Bridgeport. The attaches of this office are always glad to have the ladies visit them.

RECORDED'S OFFICE.—The following are the transactions of County Recorder Kiefer's office for February:

Mining deeds recorded	7
Local estate deeds recorded	11
Mining locations recorded	6
Homesteads recorded	6
Attachments recorded	1
Mortgages recorded	1
Leases recorded	0
Marriage Licenses recorded	0
Fees—cash \$36.50, county \$21; total \$57.50.	

Fees.—Fees for February were paid into the County Treasury as follows, less amount for county work:

County Clerk, cash	\$ 40.75
County Clerk, county	67.50
Sheriff, cash	21.75
Sheriff, county	21.75
Tax Collector	21.00
Recorder, cash	21.00
Recorder, county	21.00
Total	\$237.25
Total since January 1st, 1884	\$244.25
Delinquent taxes collected, \$72.12	

WHAT OUTSIDERS THINK.—The Bodie papers must be flattered with the opinion the outside world has of them: "The Inyo Independent of last Saturday says: 'The editors of two papers published in Bodie are abusing each other most bitterly. The business of the town has so far declined that there is not good support for even one paper; hence the abuse. Disappointment, worry, the pinch of poverty, make men peevish and abusive.'"

COUNTY TREASURY.—On the 2d inst. L. Goodnow, Chairman of the Board of Supervisors, District Attorney Eddy, and Auditor Massey counted the moneys in the Treasury and found therein what actually ought to have been there—\$54,748.10.

TAX SALES.—Tax Collector Montrose will on Wednesday next commence the sale of delinquent tax property, closing the sale on Saturday, the 14th inst.

R. J. Van Voorhis, the leading Druggist of Bodie, having purchased the stock of A. B. Stewart & Bro., has the largest and most complete stock of Drugs, Patent Medicines, Toilet and Fancy Articles, and Paints, Oils, etc., in Bodie.

THE MASQUERADE.

The great masquerade ball given by our people, irrespective of party, at Bryant's Hall, on Wednesday evening, in honor of the inauguration of President Cleveland, was one of the finest affairs of the kind, socially and as to costumes, ever given in this county, and was a grand success in every particular, the attendance having been large and everything passing off harmoniously. A good supper was served by Mrs. A. F. Bryant and Mrs. Henry Donnell at midnight and greatly relished by the multitude. The music by Olepp's Band was excellent. The grand march commenced at 9 o'clock when the following fell into line:

LADIES MASKED.

Mrs. C. F. McKinney and Miss Belle Allen, Colored ladies, tired of the "North" and "Bound for Dixie." Well sustained. Misses Cora McKinney and Julia Allen, as two big babies, were "just too sweet." Mrs. Hattie Dugham and Miss Nellie Anton were a capital Chinaman and boy. Mrs. Dr. E. G. Winnie, the American Flag.

Mrs. Ernest A. Brown and Miss Anna Pratt, as the Two Orphans, were very demure.

Mrs. S. A. Hopkins, as a Fairy, was fairy-like, indeed.

Miss Mollie McKillip was becomingly attired as the Star of the Evening, and none shone more brilliantly than she.

Mrs. W. A. Wilcox was a stunning negress, Miss Snowball, and was one of the best sustained characters in the hall.

Mrs. J. F. Crowell was a good Mother Hubbard.

Mrs. J. W. Kingsley and Mrs. D. W. Humphries attracted much attention as the Twin Sisters.

Mrs. A. C. Raymond looked well as a Kate Greenaway.

Miss Dovie Gregory, as a Sister of Mercy, was quite angelic.

Misses Ella and Ada Donnell were pretty in fancy dress as Snow.

Miss Minnie Clark, as a Happy Groom, and Mrs. Paul W. Bennett, as the Blushing Bride, were attractive and excited much curiosity as to their identity.

Mrs. J. W. Towle, Fancy Dress.

Mrs. Emma Stewart, and Misses Clara Donnell and Flora Sinclair were three pretty Gipsies.

Miss Bertie Murphy, Fancy Dress.

Mrs. Ida Summers, Miss Ella Hughes, Miss Cochran, Mrs. Lewis Ladd.

Frank Barnes was a Swiss Peasant.

Dr. A. Anderson was an Italian Organ Grinder with a Milesian cast of countenance.

Soon after the grand march commenced, the Three B's—Bridget, Bummer Band, vulgarly called the "Court House Band," entered the Hall under the leadership of our Bridgeport Daniel Lambert, Sheriff McKinney as Drum Major, who flourished a magnificent cabbage-headed baton, the instrumentalists being County Clerk Miller, Tax Collector Montrose, Recorder Kiefer and Notary W. O. Parker, who appeared in their new and beautiful uniform. The Drum Major commenced his march through the hall, and Glenn's Band stopped playing, when in obedience to the graceful manipulation of the baton the Three B's struck up Mozart's grand march "John Brown," which, being something new and so finely rendered as to read the tympanum of the listener, elicited rounds of applause. During the evening they played several other "new" pieces, the favorite being one of Wagner's—not our John Wagner—marches that has only been played in this country—and in no other—by our new Bridgeport Brass Band. The performances of the

Three B's added much to the hilarity of the evening. May the shadows of the Drum Major and his musical associates never be lost!

ALL HAPPY.—Our Democratic friends were very happy on Wednesday, after happy dreams of good fat offices being parcelled out to them. A grand salute was fired at early sunrise, and the Court House flag was unfurled to the breeze, which was soon followed by the hoisting of every Republican ensign in town—there is nothing mean about our Republican brethren, who were glad to see their Democratic neighbors so happy, which occurs but once in a century.

BAD NEWS.—On Wednesday evening our young friend, Henry Peeler, received the sad news of the death of a sister, notice of which will be found in another column. This is the first death that has occurred in his family of seven brothers and sisters, all grown to man and womanhood, and the sympathy of his many friends will go out to him in these hours of mourning.

HOT SPRINGS.—The roads to San Francisco Hot Springs are in good trim, and a large party are going up to-morrow to hear Sam's new fish and bear stories. It is about time, too, to take your annual bath. Hitch up and drive out!

Goodson's Ore Pulverizer, THE JUGGERNAUT. PATENTED OCTOBER 2, 1884.

ONE THOUSAND PER CENT MORE ECONOMICAL than any ore reducing machine ever before invented. A fifty horse power machine pulverizes 1,000 tons of ore in twenty-four hours. The attention of mining men and all persons who are interested in mining industries, is most respectfully called to the JUGGERNAUT ORE PULVERIZER, and those contemplating the erection of any kind of reduction works will do well to thoroughly examine the JUGGERNAUT before purchasing or erecting any other kind of quartz mill; in fact, those using stamps will find a great saving to discontinue their use, and put the JUGGERNAUT in their place. It is the most durable, simple in construction, inexpensive to operate, and capable of producing the greatest results of any ore pulverizing machine ever before known. There is no loss of time, the stamp, battery, and no waste of power whatever, hence, with the JUGGERNAUT, it is one pulverizer to five or six others. ONS per hour of a cost of not more than 25 cents per ton in any case, which will be reduced in proportion as the capacity is increased.

With the caution given to the planter: the reaping machine is the farmer's best friend, and to the sawmiller and lumberman the rapidity and thoroughness to the merchant and commercial man, the JUGGERNAUT ORE PULVERIZER will prove to be of the most value.
